

Orimark Technologies Pvt. Ltd.

Technology Made Easy

Plot No. – 2, Saheed Nagar,
Bhubaneswar – 751007

Our Key Services

Software Development

Website Design

Digital Marketing

Why Choose US?

We have developed and implemented an Eye Clinic Management which has features starting from appointment management, procedure management, consultation and laboratory fees management, Doctors and their schedule management, prescription templates and printing, MIS Reports, OPD and IPD workflow.

As we are present in the market since last 12+ years and with collective experience of 30+ years on the market we strongly believe that we can create awareness and sensitize the health care organizations about the benefits of NHA's ABDM compliance and how they can achieve maximum patient satisfaction by having proper systems in place.
