

# System Integrator in Digital Health (SIDH) Initiative

## Join the revolution in healthcare with SIDH!

- As a System Integrator, you can be at the forefront of digital transformation in India's healthcare sector.
- SIDH empowers you to facilitate the implementation of Electronic Medical Records (EMR) systems in hospitals, bridging the gap in digital health adoption and enhancing healthcare accessibility.

## Get Started Today!

Scan the QR code to access the SIDH app and learn more about the program or reach out to us at email of spoc's for inquiries.

## Key Features

Facilitate EMR  
Implementation
